Mastercard ID Theft Protection™

Program Description:

Mastercard ID Theft Protection (IDT) provides you with access to a number of Identity Theft resolution services, should you believe you are a victim of Identity Theft. This product offering will alert you about possible identity theft by monitoring the surface, dark and deep web, searching for compromised credentials and potentially damaging use of your registered personal information in order to detect fraud at its inception.

Eligibility:

All Mastercard consumer credit **cardholders** in the US are eligible for this coverage.

Access:

Simply contact **1-800-Mastercard** if you believe you have been a victim of Identity Theft.

Services Provided:

Services provided are on a 24-hour basis, 365 days a year. In order to receive the following services, you must enroll at <https://mastercardus.idprotectiononline.com/>. The services include:

Online Monitoring Dashboard (requires activation): The online monitoring dashboard is the primary user interface for **cardholders**. It serves as a repository of all the personally identifiable information (PII) data the **cardholder** wants to monitor, tracks and displays **cardholders'** risk score, and provides access to identity protection tips. It is also the platform for **cardholders** to respond to identity monitoring alerts.

Monthly Risk Alert / Newsletter: Cardholders will receive a monthly newsletter with information on the **cardholder's** risk score, and articles pertaining to good identity protection practices.

Identity Monitoring: IDT searches the internet to detect compromised credentials and potentially damaging use of your personal information, and alerts you via email so that you can take immediate action. This platform utilizes automated monitoring and human threat intelligence from cyber operations agents monitoring threat actors and their tactics on the deep and dark web where personal data is bought and sold. Data elements that can be monitored are:

- Email addresses
- Debit/credit cards/prepaid cards
- Bank accounts
- Web logins; username and password
- Medical insurance cards
- Drivers' license
- Loyalty cards
- Affinity cards
- Passport number
- **Vehicle** insurance cards
- Social Security number

To take advantage of this service, the **cardholder** must enter the personal information they wish to monitor on the dashboard.

Resolution Services: You will have access to a team of identity theft resolution specialists, available 24 hours a day, 365 days a year to help resolve your identity theft incident and prevent further damage. The resolution specialists are native speakers of English, French and Spanish, and are based out of Bethesda, Maryland. **Cardholders** are given the option to sign limited power of attorney (LPOA) to the specialist, to allow them to conduct resolution activities on the **cardholders'** behalf, including contacting police, credit agencies, and other

authorities, translating information, and closing and replacing breached accounts.

Lost Wallet Assistance: Cardholders will be provided assistance with notifying the appropriate issuing authorities to cancel and replace stolen or missing items, such as their debit/credit cards, driver's license, Social Security card, and passport.

Single Bureau Credit Monitoring: Cardholders' TransUnion credit file will be monitored for changes that could indicate fraud such as new credit inquiries, an address change or new credit account(s) opened in their name. An alert notification via email will be sent anytime a hard inquiry is made on the **cardholders'** TransUnion credit file so they can take immediate action to minimize damage.

To take advantage of this service, the **cardholder** must enter their Social Security number on the dashboard and pass credit authentication.

Financial Account Takeover: IDT monitors **cardholder's** high-risk transactions with more than 300 of the nation's largest companies to uncover and thwart account takeover attempts. Monitored transactions include:

- Debit/credit cards/prepaid cards
- Bank accounts
- Brokerage accounts
- Healthcare portals
- Workplace intranets
- Other services (e.g. peer-to-peer fund transfers)

To take advantage of this service, the **cardholder** must enter the accounts they wish to protect on the dashboard.

URL and Domain Monitoring: URL and Domain monitoring allows **Cardholder** to enter up to 10 domain or URL names related to **cardholders'** business. This service will monitor the domain and URL names for any compromised email addresses associated with the domain or URL names and if compromised email addresses are found in a data breach, this service will alert the registered **cardholder** via email and provide information regarding the specific email address that was breached along with information about the date found and source (provided that this information is available).

MasterRental™ Coverage – 15 Day Coverage

Evidence of Coverage

Pursuant to the below terms and conditions, when you rent a **vehicle** for fifteen (15) consecutive days or less with your **covered card**, you are eligible for benefits under this coverage. Refer to Key Terms for the definitions of you, your, we, us, our, and words that appear in bold and Legal Disclosures.

A. To get coverage:

You must initiate and then pay for the entire **rental agreement** (tax, gasoline, and airport fees are not considered rental charges) with your **covered card** and/or the accumulated points from your **covered card** at the time the **vehicle** is returned. If a rental company promotion/discount of any kind is initially applied toward payment of the rental **vehicle**, at least one (1) full day of rental must be billed to your **covered card**.

You must decline the optional collision/damage waiver (or similar coverage) offered by the rental company.

You must rent the **vehicle** in your own name and sign the **rental agreement**.

Your **rental agreement** must be for a rental period of no more than fifteen (15) consecutive days. Rental periods that exceed or are intended to exceed fifteen (15) consecutive days are not covered.

personal property. It does not cover you for any damages to other **vehicles** or property. It does not cover you for any injury to any party.

C. Coordination of Benefits:

When MasterRental is provided on a secondary basis and a covered loss has occurred the order in which benefits are determined is as follows:

1. You or an **authorized driver's** primary auto insurance;
2. Collision/damage waiver provided to you by the rental agency
3. Any other collectible insurance;
4. The coverage provided under this **EOC**.

If you or an **authorized driver's** primary auto insurance or other coverage has made payments for a covered loss, we will cover your deductible and any other eligible amounts, described in Section B, not covered by the other insurance.

Note: In certain parts of the United States and Canada losses to rental **vehicles** that are covered by your personal **vehicle** insurance policy liability section may not be subject to a deductible, which means that you may not receive any benefits from this program. Contact your insurance provider for full coverage details pertaining to your personal **vehicle** liability insurance policy (or similar coverage).
