IMPORTANT INFORMATION

HOW WE APPLY PAYMENTS

When you make a payment, we apply it to the balance on your monthly statement with the highest APR first. We apply payments to balances appearing on your monthly billing statement before being applied to new transactions. An example of a new transaction is a recent purchase or cash advance that has not yet been included in the New Balance as shown on your statement.

If you do not pay your non-promotional balance in full each month, you may not be able to avoid interest charges on new purchases.
