RELATIONSHIP INTEREST RATE	<p>Starting from the calendar month following when you open the account and monthly thereafter, you may earn a Relationship Interest Rate on your HSBC Premier Relationship Savings account. In order to earn the Relationship Interest Rate, you must have a linked HSBC Premier checking account and meet one of the following requirements:</p> <ol style="list-style-type: none"> 1. A total of \$500 or more in purchases or payments must be made through your HSBC Mastercard[®] Debit Card(s)² and posted to a linked HSBC Premier checking account during the previous calendar month. Debit Card ATM withdrawals do not qualify as eligible transactions.³ 2. A total of \$5,000 in qualifying direct deposits from a third party to the linked HSBC Premier checking account during the previous calendar month.⁴ 3. Have an HSBC U.S. residential mortgage loan with an original loan amount of at least \$500,000 during the previous calendar month.⁵ 4. Hold HSBC Jade customer status.⁶ <p>The Qualification Period for the Relationship Interest Rate is from the 1st day of each month to the last Business Day of each month. If you meet the qualification requirements, your HSBC Premier Relationship Savings account will earn the Relationship Interest Rate for the entire following calendar month. Accounts that do not qualify will receive the Standard Interest Rate for the entire following month. You cannot obtain the Relationship Interest Rate simply by maintaining a certain balance in your account. Failure to meet the above requirements for the Relationship Interest Rate may lead to a lower APY in comparison to other available products.</p> <p>Existing customers who already hold Jade status at the time of account opening will earn the Relationship Interest Rate beginning that month. Customers who acquire Jade status after account opening will earn the Relationship Interest Rate the following calendar month after being assigned Jade status. Jade status will need to be maintained or other requirements met, as outlined above, to continue to receive the Relationship Interest Rate.</p> <p>If there are changes to your linked HSBC Premier checking account (it is closed, changed to a new account type or no longer linked to your HSBC Premier Relationship Savings account), you may no longer earn the Relationship Interest Rate, or the rates may otherwise change to those in effect at the time of the change.</p>
