IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person or entity that opens an Account.

What this means for you: If you open a personal Account, we will ask you for your name, address, taxpayer identification number, date of birth, and other information that will allow us to identify you. Additionally, we will take certain steps to verify your identity, such as asking for your driver’s license or other identifying documents or checking other sources. Similar identification requirements apply to non-personal accounts such as corporations and partnerships. Be assured that we recognize the importance of protecting your privacy and safeguarding the confidentiality of the information you provide to us.

IMPORTANT INFORMATION

You may receive other promotional offers from us. The only way to accept other offers is to follow their terms.

HOW WE APPLY PAYMENTS

When you make a payment, we apply it to the balance on your monthly statement with the highest APR first. We apply payments to balances appearing on your monthly billing statement before being applied to new transactions. An example of a new transaction is a recent purchase or cash advance that has not yet been included in the New Balance as shown on your statement. If you do not pay your non-promotional balance in full each month, you may not be able to avoid interest charges on new purchases.
